## PREFACE.

THE last Classified Catalogue was published in 1913. It contained books stocked up to June 1911. Thereafter, three supplements were printed, the first in 1916, the second in 1917, and the third in 1919. It was originally intended to bring out a new Catalogue in 1919, but owing to war conditions and the heavy cost of printing, the Managing Committee of the Institute had to give up the idea for a time till conditions improved. Up to 1917, there was no manuscript current Catalogue and with a view to bring out a full Catalogue and publish it for the use of the members, the preparation of the first complete and up to date manuscript catalogue, on the loose leaf system, was taken in hand and the same was completed in a year. Thereafter all additions made to the Library were added to it and, finally, in September 1923, it was resolved to bring out a complete Catalogue of all books stocked up to June 1923. It was intended to finish the printing in 3 months and bring it out in January 1924, and thereafter to print regular three-monthly supplements. As the printing proceeded, several mistakes in the arrangement were brought to light and they were duly corrected and in spite of all efforts, owing to the magnitude of the work, the printing was only completed in June 1924.

The classification hitherto in use has been continued and no new system has been introduced, in order not to break away with the arrangement with which members are already familiar. The numbering of the books has, however, been changed and the system of giving place numbers to books (first used in the last three supplementary Catalogues) has been now adopted throughout. The arrangement of different classes is the same as it was in the last Catalogue, *viz.*, A for Prose, B for Poetry, C for Novels, E for Biography, J for Medicine and Hygiene, and so on. Every book is labelled with a ticket containing its class represented by the Capital letter of the alphabet and under it, its place number indicating its location. Thus, "Lives of English Poets" by Samuel Johnson is numbered <sup>A</sup>172-35, where "A" re-

presents its Class, *viz.*, Prose Works, "172," the first of the two numbers below the line joined by a dash, denotes the number of the press (book case) in which it is placed and "35" the second number, denotes its numerical position in that particular press.

The task of classifying books has always been difficult, especially of books which fall under more than one class. For all books added after 1915, when a book admits of being classified into more than one class, it has been classed and denoted under each of these classes. It has not been possible to do this with respect to all old books, as that would have considerably delayed the bringing out of this Catalogue. In spite of every precaution several mistakes have crept into this Catalogue and if members noticing the same, will communicate with the Librarian, they will be duly rectified in the present manuscript catalogue and the same will be avoided in the future edition of the Catalogue.

BOMBAY, *July*, 1924.

SORAB B. DADYBURJOR,  
*Hon. Secretary.*

# **The Jamsetjee Nesserwanjee Petit Institute.**

## **SHORT HISTORY.**

THE Library was established on the 1st day of April, 1856, under the name of "The Fort Improvement Library" with about a dozen members and in the year 1866 it was denominated "The Fort Reading Room and Library." By virtue of a resolution passed at a Special General Meeting of the Members held on the 28th day of July, 1891, the Institute was named "The Jamsetjee Nesserwanjee Petit Fort Reading Room and Library" in recognition of the munificent gift of Rs.25,000 made by Mr. Nesserwanjee Manockjee Petit to the Institution, with the intention of perpetuating in connection therewith, the memory of his deceased and only son Mr. Jamsetjee, who for many years, was one of the Life Members and Directors of the Institution, and took a most lively interest in its welfare and progress.

By virtue of another resolution passed at a Special General Meeting of the Members held on the 17th day of March, 1898, the Institution was designated "The Jamsetjee Nesserwanjee Petit Institute" in further recognition of the munificent gift, by Bai Dinbai Nesserwanjee Petit, of a stately building, costing Rupees 2,50,000, for the use of the Library. The building was vested in four Trustees by a Deed of Settlement dated the 3rd day of May, 1901, and executed by Bai Awabai Framjee Petit as executrix to the estate of the said Bai Dinbai Nesserwanjee Petit. This Deed of Settlement was previously approved of and confirmed by the Members of the Institute at a Special General Meeting, held for that purpose, on the 29th day of March, 1901.

ON the 31st August 1875, the Library was first registered under the Act for the registration of Literary Scientific and Charitable Societies (Act XXI of 1860) in accordance with a resolution

passed at the General Meeting of the Members held on the 28th of May, 1875. On the 13th day of October, 1891, it was again registered under its new name—The Jamsetjee Nesserwanjee Petit Fort Reading Room and Library under the provisions of the afore-said Act XXI of 1860, and on the 26th day of March, 1898, it was finally registered, under the provisions of the same Act, under the name of “The Jamsetjee Nesserwanjee Petit Institute.”

The management of the Institute is vested in a Managing Committee as provided in the Institute Trust Deed. It consists of twelve members, *viz.*, four Trustees, two members of the Committee appointed by the Trustees, and six members of the Managing Committee elected by the general body of the members of the Institute. The first Trustees of the Institute were Jeejeebhoy Framjee Dinshaw Petit (now Sir Dinshaw Manecji Petit, 2nd Baronet), Rustomji Merwanji Patell, Ardeshir Pestonji Sethna, and Jeejeebhoy Pestonjee Mistri.

On the death of the Trustees, in place of Mr. Rustomjee Merwanjee Patell deceased, Mr. Sorabji Eduljee Warden, in place of Mr. Ardeshir Pestonji Sethna deceased, Mr. Rustomji Byramjee Jeejeebhoy, and in place of Mr. Jeejeebhoy Pestonji Mistri deceased, Mr. Sorabji Burjorji Dadyburjor, and in place of Mr. Rustomjee Byramjee Jeejeebhoy deceased, Mr. Byramjee Jeejeebhoy, were appointed new Trustees. The present Trustees are Sir Dinshaw Manockjee Petit, Bart., Mr. Sorabjee Eduljee Warden, Mr. Sorabji Burjorji Dadyburjor and Mr. Byramjee Jeejeebhoy.

The following Tables show the growth of the Institute from 1856 up to date:—
